SUMMARY

Android & Flutter Developer with professional experience shipping native Android apps in Kotlin and Java, and building cross-platform Flutter apps for Android & iOS. Writes maintainable code with MVVM and clean architecture, integrates REST APIs with offline-first storage, and builds responsive UIs with Jetpack Compose and Flutter widgets. A background in IT systems and Linux adds strong debugging and deployment skills.

TECHNICAL SKILLS

Android	Kotlin, Java, Jetpack Compose, XML Layouts, Material 3, ViewModel, StateFlow, Coroutines & Flow, Room, DataStore, Retrofit, OkHttp, WorkManager
Flutter	Dart, Flutter, Provider, Riverpod, BLoC, Sqflite, Hive, http, Dio, Platform Channels
Architecture	MVVM, Clean Architecture, Repository Pattern, REST APIs & JSON, Offline-first caching
Tools	Android Studio, VS Code, Gradle, Git & GitHub
Other	Python, Bash, Linux (Ubuntu), Windows Server, Docker, HTML/CSS/JS, PHP, MySQL

EXPERIENCE

Android Developer	Mar 2022 – Aug 2023
Vama Communications Pvt Ltd	
- Engineered, tested and shipped native Android applications using Kotlin, Java and Android Architecture Components. - Applied MVVM architecture for scalable, maintainable and testable codebases. - Built reactive UIs with Jetpack Compose and reliable offline caching with Room Database. - Integrated REST APIs with backend engineers and collaborated with designers to deliver stable, performant releases.	
Tech Support Engineer	Jan 2026 – Oct 2026
Words Worth ELT	
Provided desktop, remote and network support; automated diagnostics and credential management with shell scripting.	
IT Administrator	Jan 2024 – Oct 2025
Nektor Engineers and Project Consultants	
Administered Dell PowerEdge servers, Windows Server and Linux; secured the network with SonicWall firewall, VLANs and VPN; managed NAS backups.	

PROJECTS

Flutter — [Flutter_REST](#) (product listing via REST API), [flutter_sqflite](#) (user management with SQLite), [MVVM_Flutter](#) (MVVM architecture), [materic_terminal](#) (terminal app)

Android — [android_projects](#), [android_samples](#), [kotlin](#); fork of [pulse-sms-android](#)

Web — [Employee_DPR](#) (timesheet / daily progress report app, JavaScript), [Pok-Chess-Evolution](#) (browser chess game)

EDUCATION

Bachelor of Computer Applications (BCA)	Gujarat University	2022
Bachelor of Laws (LLB)	Gujarat University	2025
